

*Makes jeans look even better now*

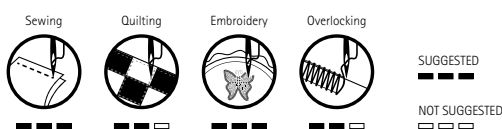

**DENIM DOC**

70 % Polyester . 30 % Cotton

**AREAS OF APPLICATION**

Thanks to its perfect combination of polyester core and cotton covering, DENIM DOC is the perfect thread for denim seams and for darning. The thread is particularly well-suited for closing, topstitch and serging seams. Excellent results can also be achieved when used as needle thread for matt embroideries.

**RECOMMENDATION OF APPLICATION**

**PRODUCT FEATURES**

- **Special denim colours**  
DENIM DOC is available in ten classic, appealing denim colours.
- **Optimal sewability**  
The thread is very suitable for standard sewing and embroidery machines. The perfect combination of polyester core and cotton covering guarantees an outstanding performance during sewing and in the seam.
