The CARINA Power & Stretch II is perfect for light and elastic textiles such as jersey and stretch, but can also easily handle heavy fabrics such as jeans or cord. Thanks to the user-friendly technology, sewing fun is guaranteed! 23 utility and decorative stitches, including various overlock stitches for sewing and serging elastic fabrics. 4-step automatic buttonhole, variable stitch length adjustment. Solid metal construction, electronic foot controller, and 6-position toothed feed dog guarantee sewing of thick and thin fabrics. The CARINA Power & Stretch II has a slim free arm to shorten trouser legs or sleeves with ease.
