THE FUTURE OF FABRIC DESIGN IS HERE

Create bespoke fabric at home
with Brother's PrintModa Studio
desktop fabric printer.

Artspira

VIBRANT THOUGHTS, VIBRANT COLOURS

Brother's revolutionary compact fabric printer is the perfect creative outlet for your unique self-expression. Print personalised designs and custom prints quickly from your desktop.

MAKE IT YOURS

Use your favourite design software to print directly from your computer, smart device or USB flash drive. You can choose to print on fabric, or regular paper. Double the use, double the fun!

PERSONALISE YOUR CRAFTING, QUILTING AND SEWING EXPERIENCE

From birthday banners and quilt panels to trendy totes and patterned pillows, with PrintModa Studio you can create bespoke creations you'll be proud to call your own.*

SAVE SPACE, SAVE TIME, SAVE MONEY

Professional custom fabric can be an expensive and timely experience. No need to send out, buy massive amounts or wait forever – print your own from the comfort of your desktop.

GET STARTED STRAIGHT AWAY

With fabric, inks and three free projects supplied.

*Washability limited and colours may fade after washing.
Ink may rub off onto other objects when in constant contact.

PROTECT YOUR FABRIC, PROTECT YOUR CLOTHES

Prevent transfer with the Brother iron on laminate sheet (additional purchase necessary).

NEVER ENDING INSPIRATION, NEVER ENDING POSSIBILITIES

Link to the Brother Artspira* design app to access an inspiring variety of project designs, quilt blocks, templates, frames and patterns.

Use the editing tools to easily modify text elements, swap out images and change backgrounds. Design anywhere any time, then transfer wirelessly to your PrintModa Studio and see your designs come alive before your eyes.
